## **EFFECTIVE IMMEDIATELY:**

In an effort to adhere to the ever-changing advisories related to COVID-19, our office is **SUSPENDING** in person public transactions, until further notice. On March 14, 2020 the Texas Department of Motor Vehicles (TxDMV) sent out advisories temporarily waiving certain requirements for vehicle registration, vehicle titling, and disabled parking placards. On March 16, 2020 Governor Greg Abbott also issued a statement granting a temporary extension to obtain initial registration, renewal of registration, vehicle titling, and renewal of a permanent disabled parking placard. The purpose of this waiver is to prevent customers from having to physically visit a county tax assessor-collector office for these services.

To aide in the assistance of Motley County residents, our office will have a few alternate avenues for conducting business. We ask for your patience and understanding during this less than static process.

### **The options are as follows:**

- There will be a LOCKED drop box outside the Tax Office door for you to put your sealed taxes, registration renewals, disabled placard renewals, as well as title work to be processed. \*Please note that titles processed in this matter may take an additional amount of time. We will mail all taxes, registrations, and placards back to you. For title work, please leave number so we can call you and let you know they are ready to be picked up.
