At this time Commissioner Campbell asked if he could talk to Sheriff Fisk regarding phone calls that he gets from other commissioner and citizens who see the Sheriff pickup at track meets, football games and various other activities. And it was also asked if the Sheriff's Department ever used their department pickups for there off duty security work. Sheriff Fisk stated that the reason that his pickup is at these events is he may have to respond back to the county and that he pays for his own gas when he goes and that there were a couple of times that

the department pickup had been used for security work but again they pay for their gas personally. Sheriff Fisk stated that he has spoken to TAC who says this is a normal procedural practice and that there is an AG opinion regarding this.

Item 9 on the agenda was an update from Judge Meador on the TDA Sun Grant money. The first check of \$129,000 has been received and another check for \$143,000 is on its way. The gravel for CR 207 (this is the landfill road) is coming from Mr. Wayland Moore and the cost is \$48,000.
